---

## Experience Highlights

### **Courtesy Clerk and E-commerce Clerk**

Quality Food Center(QFC) (July 2019-July 2022)

For the first year, bagged for customers and cleaned up the whole store with a high level of interaction with customers and coworkers. Beyond that, worked as an E-commerce clerk, who shops for customers online and gives them the groceries, with a very high level of customer service.

### **Team Member**

Alderwood Mexico Mission Trip (Summer 2018)

Built a house for a Mexican family in need. Communicated with family in spanish. Had to work as a part of a group in order to accomplish the goal. Was willing to live with less comfortable living accommodations.

### **Podcast Technical Director**

Letters From Home Podcast(July 2018-July 2020)

Helped record, edit, design sound for, and publish a podcast as well as help train the current podcast host on how to do those things for herself. Assisted in building the website for the podcast at lettersfromhomepodcast.com.
